

ANNUAL REPORT, 2024-'25

PRINCIPAL'S MESSAGE

Since 2010, our commitment has been to ensure the overall development of students and to impart quality education. At the outset, we thank the Almighty for all the blessings rendered to us for the continuous journey of 14years.

I, hereby, certify that the information in this report is the result of a self-evaluation process and a balanced account of the school's achievements and areas for development.

A.G.Prakash Nair,
Principal,

ACADEMIC ACHIEVEMENT

Our School topper for the class XII Board Exam was Tanista with 483 marks & Class X Board Exam was Akkshay with 481 marks.

We strongly believe in collaboration with parents, We have organized 3 open days for parents as of now. Every month we will provide Newsletter to parents to get insights of what is going to happen on that month. We will organise 4 Transition orientation programmes. Parents got chances to discuss various aspects of students' academic performance.

Montessori students did field trips to holy places, Nursery, and Markets. We also introduce a new theme every month, specially designed for our Montessori students.

Students of classes I to IV attended students Exposure Programme and visited Science Park, Nandha Group of Institutions and Egg Tray Factory.

Students of classes V to VIII attended student Exposure Programme by spending time in Science Park, Nandha Group of Institutions, Department stores, E Bike Showroom with service station, Egg Tray Factory and Soap Factory.

We bid farewell to our beloved outgoing students of Batch 2024!

Career guidance events for Class IX to XII Students	
01	The career planning orientation was conducted on June to help students understand the importance of structured career planning and equip them with tools and strategies to navigate their professional journey.
02	<i>"Getting acquainted with universities"</i> session aimed to introduce students to the diverse opportunities offered by universities worldwide conducted on the month of July. It provided essential information on academic programs, admissions processes, scholarships, and campus life to help attendees make informed decisions about their higher education journey.

03	The University Fair, held in September, provided an excellent platform for students to explore academic opportunities at various universities locally and internationally. Representatives from over 15 universities participated, showcasing their programs, admission requirements, and scholarship options.
04	The “Unravel New Courses of the Era” event, held in October, introduced students to cutting-edge academic programs designed to meet the demands of the evolving professional landscape. The event highlighted emerging fields such as Artificial Intelligence, Data Science, Green Technology, Digital Marketing, and Sustainable Development.
05	The Alumni Meet-Up held in November was a vibrant gathering that brought together former and current students to foster connections and celebrate shared experiences. The event aimed to strengthen the alumni network while inspiring current students through the success stories of graduates.
06	Entrance exams of India - The “Entrance Exams of India” session, conducted in December, provided a comprehensive overview of the major competitive exams for higher education in India and abroad. The event aimed to guide students in understanding the structure, preparation strategies, and opportunities associated with various exams like NEET, JEE, CUET, CAT, CLAT, IMPT, ACT, etc.,
