**Newsletter for the month of
February '24**

	<p>Date: Feb 03 Open Day Day: Saturday Aim: An Open Day is the meeting between the parents and teachers of students to discuss a child's progress at school and find solution to academic or behavioral problems. Organizer: Middle Compartment</p>
	<p>Date: Feb 9,10,11 Innovation Day Aim: The ability to effectively solve problems requires high innovation, imagination, and creativity. Therefore, students can approach issues from various perspectives, think creatively, and develop original solutions. This ability to solve complex problems encourages them to think creatively and imaginatively. Organizer: Middle Compartment</p>
	<p>Date : Feb 12 Traditional Period Day :Monday Aim : Traditional education, also known as back to -basics, conventional education or customary education, refers to long-established customs that society has traditionally used in schools, which focuses on individual students' needs, academics, mental health, and socioemotional learning. Organizer: English Department</p>
	<p>Date: Feb 12 Outdoor Teaching Day: Monday Aim: Learning outside the classroom for teaching and learning, providing them with challenging, exciting and different experiences to help them learn. Organizer: Social Department</p>
	<p>Date: Feb 12 Outdoor Teaching Day: Monday Aim: Outdoor education is more activity-based, fun learning. All senses get to work. Kinesthetic learning enhances as children touch and feel things along with gaining knowledge. Exploring and experimental activities help improve problem-solving skills. Organizer: Science Department</p>

	<p>Date: Feb 15 Student Development Society (National Handwriting and Colouring competition) Day: Thursday Aim: Handwriting skills help children develop reading and spelling skills. Handwriting also helps with the ability to recall and remember information. Between the grip of a coloring utensil (color pencils, crayons, etc.) and the drawing precision a child begins to develop over time, coloring is a great way to help children build fine motor skills and hand strength. Organizer: Middle Compartment</p>
	<p>Date: Feb 15,16,17 Study Tour Aim: The aim of a Study Tour, of course, is to learn and gain new skills and knowledge. Wave goodbye to boring presentations or long seminars. Study Tours take you beyond the classrooms or meeting rooms so that you get hands-on learning experience. Organizer: Middle Compartment</p>
	<p>Date :Feb 22 PROCOM Olympiad Day : Thursday Aim: Competitive exams are a type of examination conducted to test and rank students according to their grades, percentage, or percentile. Motivates students to achieve higher goals. An award, a certificate and a scholarship boosts kids' confidence to go for the next and the next with confidence. Organizer: Middle Compartment</p>
	<p>Date :Feb 27 ALPHABET Olympiad Day : Tuesday Aim: School level olympiad exams for students are excellent ways to employ the quality of learners' attitudes in them. Participating in these exams allows students to gather in-depth knowledge about the subject and prepares them for a great career ahead. Organizer: Middle Compartment</p>
